MEET OUR STAFF

We are continuously welcoming new staff here at Little Strawberries, such as volunteers, those in need of work experience and also re-welcoming previous staff members. All staff are DBS checked and have attended and completed enhanced Safeguarding for Children courses. All staff have a professional manner, as well as a passion for working with children. Please see below photos of majority of our staff members and please note different members of staff could be collecting from any school. Staff will be wearing IDs as well as their uniform when collecting, however it is still very important children familiarise themselves with all staff.
